

Job Title: Construction Site Foreman

Job Type: Permanent

Location: Scotland

Salary: Negotiable

Company:

Founded in 1967, and operating in Ireland, United Kingdom, Poland, South Pacific and the Middle East, Roadbridge is a leader in Civil Engineering. Roadbridge has the experience, capability and a proven track record in delivering major projects across a range of sectors on time and on budget. Our core ethos is not just to meet client expectations, but to exceed them, making us the partner clients want to work with.

Job description

We are looking for a competent Construction Foreman to coordinate operations and oversee workers and plant onsite. As the point of reference of both workers and engineers, you will be a key person for the completion of a project. The successful candidate should have a solid background in Civil Engineering and/or cross country Utilities installation. You should have sufficient leadership skills and experience to have earned the ability to direct the work of others and make quick decisions. You must be well-organized and favour safety above everything else. You must also be able to communicate with other members of the team as well as clients representatives.

Responsibilities:

- Coordinate tasks according to priorities and plans
- Monitor attendance of construction crews
- Allocate general and daily responsibilities
- Supervise and train workers and tradespeople
- Ensure manpower and resources are adequate
- Guarantee all safety precautions and quality standards are met
- Supervise the use of machinery and equipment
- Resolve problems when they arise
- Report on progress to managers, engineers etc.

Requirements:

- Proven experience as construction foreman on cross country pipelines or utility projects
- In-depth knowledge of construction procedures, equipment and HSE guidelines
- Ability to read drawings, plans and blueprints
- Full Driving License
- Excellent organizational and leadership skills
- Ability to communicate and report effectively
- Problem-solving abilities
- Current relevant qualifications (SSSTS or better.)

Required experience:

- Construction experience: 10 years
- Site Supervisor: 1-3 years in cross country works

Required licences or certifications:

- SSTSS or better
- Driving License
